

# SAVE! SAVE! SAVE!

## Luzerne Optical's "THIN is IN !!!" Promotion

Ask for 1.71 High Index for your Single Vision Rx's. These lenses are surfaced In-House for improved service and quality (Unlike some other Ultra High-Index products that must be sourced out for processing).

From July 1, 2010 through August 15, 2010, every time you order a pair of 1.71 Single Vision High-Index Lenses by Polycore, you will save \$5.00 when you use the coupon below. **Coupon must be submitted by August 31, 2010.**

**Save!**

- ◆ Ultra Thin
- ◆ Abbe Value of 36
- ◆ Excellent for Drilling
- ◆ UV Protection
